

**VIA@SNGS : STUDENT-INITIATED PROJECT PROPOSAL – (2022)**  
**Our CHIJ School Mission** : “A Christ-centred school community where all work together for the promotion of truth, justice, freedom and love, with special reference to the needs of persons who are disadvantaged in any way.”

**PLANNING**

<b><u>Title of VIA project</u></b>	
<b><u>Catholic Social Teaching (CST)</u></b>	
<p>The social teaching of the Church is a call to each of us to reach out to our fellow brothers and sisters. It is about God’s call to us to “Love one another as I have loved you”.</p> <p><b><u>Principles of CST on VIA platform :</u></b></p> <ul style="list-style-type: none"> <li>• <b>Principle of the Dignity of the Human Person</b> – Every human person is of infinite dignity. All of society must be directed towards the well-being of the human person.</li> <li>• <b>Principle of the Common Good</b> – We must seek the good of the broader community – that is, each person, every person and the whole person – and not just our own interests.</li> <li>• <b>Principle of the Universal Destination of Goods</b> – God intended for all the world’s resources to be enjoyed by everyone, and not just a few people. We should have a <u>preferential option for the poor/marginalized and see to it that the most vulnerable have what they need.</u></li> <li>• <b>Principle of the Dignity of Creation</b> – Creation is holy because this is the place where we relate to God. We are the earth’s stewards, helping to bring the world towards salvation.</li> </ul> <p style="text-align: right;"><i>(adapted from Caritas Singapore)</i></p>
